PROJECTS

British Airways Customer Reviews Analysis

Tools: Tableau · Python · Generative AI

- Built an interactive Tableau dashboard highlighting drivers of satisfaction and recommendation.
- Analyzed 1,320 customer reviews with Python to perform sentiment analysis and extract recurring service themes.

Customer Insights & Menu Performance Analysis for Taste of the World Café

Tools: MySQL · Generative AI

- Analyzed transactional data to evaluate sales, identify top products, and uncover ordering patterns and pricing effects.
- Assessed menu profitability and product mix to provide insights on high-revenue items and demand trends, supporting menu optimization and promotions.

PROFESSIONAL EXPERIENCE

Career Transition

March 2024 – Present

- Completed 25+ hours of self-directed training in data analysis through the Alex The Analyst Bootcamp.
- Applied 6+ data analysis and visualization tools to extract actionable insights from real-world datasets.
- Developed 12+ end-to-end data analysis projects involving data cleaning, exploratory analysis, and dashboard creation.
- Developed AI-augmented workflows to accelerate analysis and improve output quality.
- Built a portfolio of case studies focused on marketing performance and business decision-making.

Collections & Social Media Administration, Electricidad Weyreuter

November 2020 – February 2024

- Managed billing and accounts receivable for 100+ monthly client accounts using TANGO ERP.
- Monitored sales and collections data to identify payment trends and support reporting.
- Improved collections follow-up processes, reducing overdue accounts and workflow inefficiencies.
- Developed process documentation to improve workflow consistency and reduce errors.
- Managed social media content and designed promotional materials to support brand visibility.

Advertising Sales Assistant, Misiones Online S.R.L.

June 2018 – October 2018

- Coordinated advertising placements between sales and production teams.
- Assisted in resolving campaign-related issues and client requests.
- Supported the creation of promotional materials aligned with client and campaign requirements.

Marketing Intern, Misiones Online S.R.L.

September 2017 – May 2018

- Assisted with campaign coordination and administrative support for the advertising sales team.

EDUCATION

Bachelor's Degree in Marketing, Universidad Gastón Dachary

February 2015 - October 2019
